

'Retirement only means it is time for a new adventure'

You always believed in us
You showed us right from wrong
You saw us for who we are
You always made us strong.
You helped us with our future
You helped us with each test
You made us who we are
You encouraged us to be our best.
You helped us with our work
You made learning fun
We will all miss you always

Good Luck from **Everyone.**

It is with great sadness that we announce that Mrs Draper is retiring. Mrs Draper has worked at the school for almost 30 years and has dedicated so much to the children of Leamington.

During her time she has taken on many roles including working in Key Stage 1 and Key Stage 2; Special Educational Needs Co-ordinator and of course Deputy Head. As well as supporting children throughout the decades she has also inspired and mentored many of our teaching staff.

I am sure that the Community of Leamington will all agree that she has been an amazing influence on generations of children and will always be a part of what makes Leamington special. She will remain in our hearts as a special teacher and person. Thank you Mrs Draper, we owe you so much and wish you happiness in your retirement

Thank you for teaching me in Maths in Year 1. If it wasn't for you I wouldn't have learned the basic stuff and I would have been behind. I will miss you very much Mrs Draper. Thank you for everything!! - You will always be in our hearts. (Joy Cave)

My first day at Leamington Primary School was in Year 1. Mrs Draper was my teacher. She welcomed me and was very patient with me. Even though I would drive her mad sometimes (I once started writing on the right side of the page). She was always kind to me. (Emily Allanson)

Mrs Draper was a big help to me. She made learning fun. In Year 2 I was in a group called 'Numbers Count'. She helped me a lot. Thank you. (Amy Rehm)
