

Leamington Community Primary School Newsletter February 2015 – Issue 6

Christmas seems a long time ago!

As we move forward into spring we find ourselves over half way through the school year! The staff and children have been very busy over the last few weeks creating lots of new wonderful displays. As you can see from the pictures a lot of hard work has been put into creating displays which are bright, colourful and informative. We aim to ensure every classroom is a

place where every child feels comfortable and confident to give their best. We have bought a lot of new furniture for many of the rooms. We have invested in new chairs, tables, rugs, reading corners, computers, Smart TV's, books and internet based activities, all of which give every child the best resources to make rapid progress in their learning. You may have also noticed we have some building work going on at the moment. We have removed the blue container which was used for storage and in its place we are currently build a new classroom and store room. The classroom will give us more space for our interventions in KS1.

Attendance and Punctuality

We have bought a number of bright and colourful attendance boards which are displayed in every KS1 classroom, the reception area and on the playground. The boards are a good visual representation of the attendance for the previous week. Sadly, we are still short of hitting our target of 95%+. We need to keep improving our attendance to ensure we are all in school, on-time, at 5 to 9! Sadly we have a number of children arriving after 9am and this is simply not good enough. Those children are missing vital teaching and learning time and this will have an impact on your child's progress and future. We will be arranging attendance meetings with some parents in the next few weeks.

Parent's Evening

Parent's Evening will be on Thursday 19th March and appointment letters will be sent out shortly. At parent's evening you will be given a mini-report about your child. This report will inform you of your child's progress and attainment using the new government guidelines. We hope to see you **all** on the 19th.

Girls Football Team

Well done to our girls' football team. Miss Miller was extremely proud of their enthusiasm and hard work. They played their socks off and gave their best throughout! Well done to the team!
