

Dear Children and Parents,

It's that time of year again when we hold a number of exciting Easter Events.

On Wednesday 5th April, we will be holding our annual Easter bonnet parade for the infants and Easter 'Eggsessories' parade for the juniors. We would like the children to wear bonnets and 'Eggsessories' to school to take part in the parade.

We are also holding our family fun event at 3:00pm in the dinner centre on the same day.

In addition to this, we are also holding our annual Easter art competition. Children from all classes are invited to create a piece of Easter inspired artwork at home. The judges will decide on a winning entry for each year group which will be announced at our Easter Service Friday 7th April. **All entries must be handed to Miss Evans by Thursday 6th April.**

Parents and carers are very welcome to all events.
