

Acting Head Teacher:
Paul Vine

Wednesday 14th March 2018

Dear Parents/Guardians,

As you were aware Mr. Paul Vine has been Acting Head Teacher at Leamington Community Primary School for the past two years and Deputy Head Teacher for the last four years. Over the last few months the school governors have advertised the post for Head Teacher, concluded a shortlist and yesterday after two days of rigorous interviews, it was decided by the personnel committee to recommend, with the approval of the Local Authority, to appoint Mr. Paul Vine forthwith as permanent Head Teacher. This was fully endorsed by the full governing body who met yesterday evening, Tuesday 13th March.

The governors consider this appointment will ensure the school continues to make good progress as indicated at the last Ofsted inspection.

Yours sincerely,

Mr. P Monaghan
Chair of Governors
