Victorian Venture

Year 3 are learning about shadows and how they are cast and see the light through things like wood and paper. They are also learning about Queen Victoria, who was a queen at the young age of 18. They went to visit St. George's Hall to see Victorians rotten food. There was a lot of Victorian information in St. George's Hall. They had a wonderful time on their day out. Mollie and Antonia told us,

"We have been learning that Queen Victoria had 9 children and that Victoria died in 1901. We really liked our trip and learnt a lot!"

Athletic Alsop

Over the past few weeks, Year 5 have been visiting Alsop High School. They have been doing all sorts of exciting activities. This is called multi - sport. A member of year five told us, "Up to now we have been doing mat ball. The aim of the game is to pass the ball to your team goal keeper and they must catch it. The first team with all their players on the opposite mat wins!"

Year 5 have took an important role in first aid. They had to lock their hands and press hard on a chest for 30 seconds in case of an emergency. Also, the children had to bandage legs so they could experience what it would be like treating an open wound. It has been an amazing opportunity for year 5 and they all enjoyed it.
