Dora's Mini Explorers!!!

Year two went on an exciting adventure around Liverpool. They went because they were looking for places that Dora the explore could visit. First, they visited the beautiful Anglican Cathedral. The children were amazed by all of the artistic features like the colourful windows and amazing statues. They also saw people sketching the building and witnessed people praying. After that they went over to the world museum, where they saw the aquarium, the bug house and the planetarium. They also loved the scary mummies and the breath-taking dinosaurs.

Once filling their stomachs with their yummy food, they headed to the Albert dock. While they were there they saw the gigantic wheel. Afterwards, they walked to the water front and took the bus home. They were extremely tired from an amazing day out.

Most of the dust in your home is actually dead skin! Yuck!

Sports

Running wild!

Mr Daniels is taking a cross country team again this year. They had their first race on Thursday 18th September, where they all proved themselves

to be worthy of a place on the

team. They have more races over the next few weeks. We wish them all the best of luck! Check back for results!

Last week, Liverpool played Lung Rats. It was a great game Liverpool were the victors, as they won 2:1. Balotelli scored the first goal in the 85th minute of time and it was the first goal for him this season. Then Steven Gerard scored a brilliant penalty in the 93rd minute of time. He is Liverpool's main penalty taker. Their next game is a premier league game when they will play against Middlesbrough.
