

## Liverpool Counts Quality Mark

We are excited to announce that we are taking part in the Liverpool Counts Quality Mark!

### The aims of the quality mark:

- ⇒ To promote positive attitudes towards Maths.
- ⇒ To help children to develop 'Numeracy for life' skills
- ⇒ To promote real-life connections in Maths.
- ⇒ To improve children's attainment and progress in Maths.

### What are we doing?

- ⇒ *Maths ambassadors.* A group of Year 6 children are promoting Maths across the school and meeting to discuss how we can improve Maths at Leamington.
- ⇒ *Leamington Maths hub.* A chance for children to play Maths games and solve puzzles with the help of the Maths ambassadors.
- ⇒ Assemblies to promote 'Numeracy for Life' skills.
- ⇒ Posters around school to show children how our staff use Maths outside of the classroom.
- ⇒ Displays to promote problem solving and real-life connections.
- ⇒ Dedicated Maths page on our school website.

### How can you help?

- ⇒ Promote a positive attitude towards Maths at home.
- ⇒ Talk about how you use Maths at home or at work.
- ⇒ Point out Maths opportunities wherever you go, e.g. at the shops.

We ❤️  
Maths
