Summer Term 2019

Curriculum Principles/Rationale

Over the last few months the staff have been working hard to determine our curriculum principles and rationale. These important documents are the foundation on which we are designing and implementing our curriculum which meets the needs of our community. We have already seen a significant impact of our engaging and exciting curriculum as attendance continues to improve (97%) and the number of behaviour incident continues to fall (56 less than this time last year).

Enriching Opportunities

Leamington Community Primary School

Curriculum Rationale 2018/19

Leamington Community Primary School aims to provide a creative, inclusive and challenging real-world curriculum which ignites curiosity, inspires future thinkers, innovators and problem solvers in an immersive high-quality learning environment. Our aim is to provide our children with the skills and values they need to succeed in our community and beyond.

Developing our own immersive curriculum, we aim to emotionally connect the pupils to their curriculum to increase motivation, interest and attitude to learning; raise attainment and deepen knowledge and understanding of complex topics through relevant, interactive, experiential learning.

Providing enriching opportunities; challenging mind-set and developing problem-solving, independence and resilience in pupils is central to our immersive curriculum. We strive to ensure all learners exceed their potential academically, socially and emotionally thus gaining the necessary skills, knowledge and attributes to be successful in the next stage of their learning.

Parent Teacher Association

After 9 years of excellent support and outstanding dedication to our PTA, Lynne and her team have stepped down and we currently have nobody to take over the PTA. We are looking for volunteers to run the PTA and support the school in organising community events which provided exciting experiences for everyone in our community. If you are interested in leading the PTA, or working with the PTA please speak to Mr. Vine.

Parking around School

A gentle reminder to anybody that drives to school, recently we have had a number of parents parking across our neighbour's driveways and on the yellow school markings.

Attendance

We must remind you that all holidays will not be authorised and you will be fined. Only in exceptional circumstances will we authorise a holiday.

Bikes

It is great to see so many of you walking and cycling to school but we would like to remind all cyclists that riding bikes on the yard is not allowed. The yard is a busy place at the start and end of the day and someone will be injured. Please climb off your bike at the gate and walk it across the yard carefully and place it in the bike rack sensibly.

Finally

We would like to wish everyone in Y6, Y2 and Y1 the best of luck in the upcoming SAT's and the Phonics Screening check. You are all stars who have worked exceptionally hard and now it is your time to shine!
