\*LSSP and Progressive Sports both offer after school clubs (LSSP - Thursday, PS - 2 clubs on Wednesday and Thursday). Both provide after school clubs for the Year group they are working with, on a half termly basis. Staff and children collaboratively, decide on the after school club they would like for the half term.

As well as these timetabled after school clubs, we also have a number of skilled members of staff who run clubs such as football, netball, basketball, cross country and dance. We have had outside agencies run clubs such as Archery and Taekwondo - parents/carers are always informed about these clubs.
