

## English

Our first book we will be studying is 'The Egyptian Cinderella'. We will be exploring different cultures and traditions. We will be making predictions and eventually writing our own Egyptian fairytale narrative.

## History

### How can we rediscover the wonders of Ancient Egypt?

This half term we will be exploring the discovery of Tutankhamen and the use and history of hieroglyphics. We will also be exploring different Pharaohs and why they were appreciated in Egypt.

## Maths

This half term in Maths we will be starting with our 'Number' topic. We will be looking at place value and ordering and comparing numbers. We will also be exploring negative numbers in real life context and Roman Numerals.

## R.E/PSHE

We will be exploring our new topic 'Where did the Christian Bible come from?' We will be exploring the origins and the teaching of the Bible.

## Year 5 Home/School Sheet

## Computing:

We will be using Co-Spaces to create our solar system and to program it so the planets orbit the sun.

## Science

We will be starting our topic 'Will we ever send another human to the moon?' We will be exploring our solar systems and the planets in it. We will also be learning about the seasons and night and day. We will finish our topic with a trip to Spaceport.

## Design Technology

This half term we will be studying 'Food'. We will begin by researching popular Egyptian foods, we will then plan and make our own Egyptian style cuisine.

## Music

Ukuleles - We will begin by improvising, writing and playing our own songs.

## PE

PE lessons will be on a Thursday afternoon. Children must remember to bring full, warm sportswear and appropriate footwear.

Remember a healthy snack for playtime.
