

Leamington Primary Geography Knowledge Organiser Year 1

Local Area: Norris Green – *How has our local area changed and what improvements do you prefer?*

What I should already know	What I will learn	Important words to help me. (vocabulary)	Skills and Fieldwork												
<p>The name of some local landmarks in our area.</p> <p>The name of our local area/city.</p>	<p>Maps give us information about places and use basic symbols to represent places. This allows users to identify places of interest easily from an aerial view. The symbols are put into a key which explains the symbols use on maps.</p> <p>We can use directional language to describe the location of a place: north, south, east, west; forwards, backwards; left, right, up and down.</p>	<table border="1"> <tr> <td>Aerial view</td> <td>A view from above</td> </tr> <tr> <td>Compass directions</td> <td>Help us to explain locations - North, South, East, West</td> </tr> <tr> <td>Key</td> <td>Information needed for the map to make sense</td> </tr> <tr> <td>Landmark</td> <td>A feature of a place that is easily recognised</td> </tr> <tr> <td>Location</td> <td>Where a place is</td> </tr> <tr> <td>Map</td> <td>A drawing of a place showing where each feature is</td> </tr> </table>	Aerial view	A view from above	Compass directions	Help us to explain locations - North, South, East, West	Key	Information needed for the map to make sense	Landmark	A feature of a place that is easily recognised	Location	Where a place is	Map	A drawing of a place showing where each feature is	<ul style="list-style-type: none"> - Use maps to identify the United Kingdom. - Use simple compass directions (north, south, east and west) and locational and directional language (near, far; left, right), to describe the location of features on a map. - Use aerial photographs/maps to recognise landmarks (such as school). Devise a simple map; and use and construct basic symbols in a key. - Use simple fieldwork and observational skills to study the geography of their school and its grounds.
Aerial view	A view from above														
Compass directions	Help us to explain locations - North, South, East, West														
Key	Information needed for the map to make sense														
Landmark	A feature of a place that is easily recognised														
Location	Where a place is														
Map	A drawing of a place showing where each feature is														
<p>Interesting Facts</p> <p>Historically a part of Lancashire, Norris Green was developed in the 1920s and named after the Liverpool-based Norris family.</p>	<p>Location means the place where something is. Norris Green is an area within the city of Liverpool, England. England is shown on the map as part of the United Kingdom.</p> <p>Landmarks are significant places within an area which are easily recognisable. Local areas and landmarks often change over time.</p>	<div style="display: flex; justify-content: space-around; align-items: center;">   </div>
