Leamington Community Primary School: Equal Opportunities Policy

This policy has been agreed to by all staff at Leamington Community Primary School and reflects practice throughout the school. At Leamington Community Primary School, we treat all pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. At Leamington Community Primary School, we are committed to establishing equality for all pupils, their parents, staff and other users of the school, irrespective of race, gender, disability, faith, religion, sexuality or socio-economic group. We recognise the protected characteristics in the Equality Act 2010.

1. Aims and objectives:

1.1. We do not discriminate against anyone, be they staff, pupil or parent/carer, on the grounds of their sex, race, colour, religion, nationality, ethnic or national origins. This is in line with the 1976 Race Relations Act and covers both direct and indirect discrimination.

1.2. We promote the principles of fairness and justice for all through the education that we provide in our school.

1.3. We ensure that all pupils have equal access to the full range of educational opportunities provided by the school.

1.4. We constantly strive to remove any forms of indirect discrimination that may form barriers to learning.

1.5. We ensure that all recruitment, employment, promotion and training systems are fair to all, and provide opportunities for everyone to achieve.

1.6. We challenge stereotyping and prejudice whenever it occurs.

1.7. We celebrate the cultural diversity of our community and show respect for all minority groups.

1.8. We are aware that prejudice and stereotyping is caused by low self-image and ignorance. Through positive educational experiences and support for each individual's point of view, we aim to promote positive social attitudes and respect for all.

1.9. We are aware that every child has the right to grow up and learn free from the fear of bullying, whatever form that may take. Homophobic bullying is not acceptable and will be dealt with immediately. Similarly, online bullying or inappropriate texting will be challenged and dealt with if necessary.

2. Anti-Racism (See Racial Equality Policy):

2.1. It is the right of all pupils to receive the best education the school can provide, with access to all educational activities organised by the school. We do not tolerate any forms of racism or racist behaviour. Should a racist incident occur, we will act immediately to prevent any repetition of the incident.

2.2. We endeavour to make our school welcoming to all minority groups. So, for example, we will immediately remove any offensive graffiti that we may find in school. We promote an understanding of different cultures through the topics studied by the children, and we reflect this in the displays of work shown around the school.

2.3. Our whole-school curriculum reflects the attitudes, values and respect that we have for minority ethnic groups. We endeavour to represent a variety of cultures in all subjects and ensure we have a wide range of BME texts accessible across school.

2.4. Should anyone at our school be a victim of racism, we will do all we can to support that person in overcoming any difficulties they may have.

3. The role of the Governing Body:

3.1. The Governing Body has set out its commitment to equal opportunities in this policy statement, and it will continue to do all it can to ensure that all members of the school community are treated fairly and with equality.

3.2. The Governing Body seeks to ensure that people with disabilities are not discriminated against when applying for jobs at our school. The Governing Body take all reasonable steps to ensure that the school environment gives access to people with disabilities (see Accessibility Policy and Plan).

3.3. The Governing Body will, in its annual report, make reference to arrangements for disabled pupils.

3.4. The Governing Body welcomes all applications to join the school, whatever background or disability a child may have.

3.5. The Governing Body ensures that no child is discriminated against whilst in our school on account of their sex, religion or race. For example, all children will have full access to the curriculum, and regulations regarding school uniform will be applied equally to boys and girls. If a child's religion affects the school uniform, then the school will deal with each case sensitively and with respect for the child's cultural traditions.

4. The role of the Headteacher:

4.1. It is the Headteacher's role to implement the school's equal opportunities and anti-racism policy and he is supported by the Governing Body in so doing.

4.2. It is the Headteacher's role to ensure that all staff are aware of the school policy on equal opportunities, and that teachers apply these guidelines fairly in all situations.

4.3. The Headteacher ensures that all appointment panels give due regard to this policy, so that no-one is discriminated against when it comes to employment or training opportunities.

4.4. The Headteacher promotes the principle of equal opportunity when developing the curriculum, and promotes respect for other people in all aspects of school life. For example, in whole-school assemblies, where respect for other people is a regular theme, and in displays shown around the school.

4.5. The Headteacher treats all incidents of unfair treatment and any racist incidents with due seriousness.

5. The role of the class teacher:

5.1. The class teacher ensures that all pupils are treated fairly, equally and with respect. We do not discriminate against any child.

5.2. When selecting classroom material, teachers pay due regard to the sensitivities of all members of the class and do not provide material that is racist or sexist in nature. Teachers strive to provide materials that promote positive images of ethnic minorities and that challenge stereotypical images of minority groups.

5.3. When designing schemes of work, we use this policy to guide us, both in our choice of topics to study, and in how to approach sensitive issues.

5.4. All teachers will challenge any incidents of prejudice or racism. We record any serious incidents on the school's CPOMS system and draw them to the attention of the Headteacher. Teachers support the work of other staff members (pastoral staff and support staff) and encourage them to intervene in a positive way against any occurrence of discrimination.

6. Monitoring and review:

It is the responsibility of the Headteacher and the Governing Body to monitor the effectiveness of this Equal Opportunities policy. The Headteacher and Governing Body does this by:

- Monitoring the progress of pupils of minority groups and comparing it to the progress made by other pupils in the school;
- Monitoring the staff appointment process, so that no-one applying for a post at this school is discriminated against;
- Requiring the Headteacher to report to Governors on an annual basis on the effectiveness of this policy;
- Reviewing and responding to any complaints regarding equal opportunity issues from parents, staff or pupils;
- Monitoring the school behaviour and exclusions policy, so those pupils from minority groups are not unfairly treated.
