- Government guidance for food business on Coronavirus (COVID-19)
- Government guidance COVID-19: Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE)

Due to the changing advice on COVID-19, managers should ensure they review safe working procedures and protocols regularly, until such time when it is unnecessary.

Staff to undertake twice weekly home tests whenever they are due on site until the end of September when advice will be reviewed.

Pupils (not Primary School aged) to undertake twice weekly home tests whenever they are due on site until the end of September when advice will be reviewed.

Secondary schools should also retain a small asymptomatic testing site (ATS) on-site until further notice so they can offer testing to pupils who are unable to test themselves at home.

There is an adequate supply of disposable PPE, as per specific task requirements, and all staff provided with instruction in the correct use and fitment:

- Public Health England and NHS YouTube video, COVID-19: putting on and removing personal protective equipment (PPE) – a guide for care homes
