

## Nursery Knowledge Organiser Spring Term

### What we already Know

Families celebrate different events.

The Weather is changing and our garden looks different now.

Plants need help to make them grow.

We know our indoor and outdoor areas really well.

### Words that will help me

plants	Spring	Easter	Prepositions

sunshine	lambs	find	In front
dig	weather	Sunday	between

### What we will find out:

What events families celebrate during the year such as Chinese New Year, Easter and Birthdays.  
How to take care of plants. We will bring in our own plants and plant them in the garden area.  
Children to use the internet and non-fiction books to research the plants they have brought and find their names, how to take care of them and where would be the best place to plant them in the garden. Children to take responsibility for caring for their own plants, watering them daily.

Children to find out about other animals that are born at Spring time.

Children will find out about different foods that grow in the ground, they will sort foods that do grow in the ground to those that don't.
