X years ago	So many years ago																																
<p><b>Interesting Facts</b></p>	<p>Both the Beatles image and music changed many times throughout that decade. They were influenced by Elvis Presley and Skiffle music.</p> <p>The 60's were a very significant decade in British history as there were many important events including, England winning the World Cup and man landing on the moon.</p> <p>In 1966, the Beatles became a studio band because they couldn't hear themselves playing live anymore over their screaming fans. New technology and working with producer George Martin allowed the Beatles to become more experimental with their music.</p> <p>After the band split up, all four members enjoyed solo success.</p> <p>Sadly in December 1980 John Lennon was killed by a crazed fan outside his apartment in New York City.</p>																																
<p>The Beatles tried meditation with an Indian Guru which influenced their music.</p> <p>'Love Me Do' was the Beatles' first single.</p> <p>The Beatles' final performance was on the roof of Abbey Rd Studios.</p>
