Leamington Community Primary School: Attendance Policy

'**Together we make a Difference**' is our school motto; in order for every child to achieve their full educational potential a high level of school attendance is essential.

At Leamington Community Primary School, we believe promoting excellent attendance is the responsibility of the whole school community and as a result we take unauthorised absence very seriously and act decisively to ensure that attendance is maximised. Within school, we promote good attendance through creative approaches to the curriculum. This includes topics of high pupil interest and choice, supported by a wide range of learning resources and exciting opportunities.

Aims and Objectives:

- To ensure all pupils take full advantage of opportunities for learning in school;
- To ensure the well-being and safety of children at Leamington Community Primary School;
- To set school targets for attendance;
- To monitor pupil absence and challenge non-attendance.

Intentions:

- To actively promote and encourage 100% attendance for all pupils;
- To provide incentives to promote and reward good attendance;
- To investigate, identify and work in partnership with families and pupils to resolve problems which affect attendance;
- To monitor regular or extended absence and take steps to resolve this;
- To use the School Information Management System to analyse and monitor pupils' patterns of absence and work with parents/carers to rectify patterns;
- To link attendance and safeguarding where appropriate to ensure any safeguarding issues, that are raised due to attendance, are challenged and actioned;
- To link attendance with SEND, where appropriate, to ensure barriers to attendance are addressed;
- To involve an Education Welfare Officer, if the problems persist;
- To ensure that discretionary power to grant leave is only used in exceptional circumstances;
- To ensure the parents/carers of children whose attendance is not meeting the 97%+ standard are held to account;
- To issue fixed term penalties to those families where more than 10 unauthorised sessions have been missed and/or 10 lates (after 9:30am) in a rolling 10-week period;
- To issue court proceedings to parents/carers of children who are at persistent absenteeism levels (currently 90%). Absences at this level can cause considerable disadvantage to children's educational prospects.
- To work with families and all relevant professionals linked to children who have 50% or lower attendance (SAP - Severely Absent Pupil) to address issues/barriers.

Incentives:

- To reward each class whose daily attendance is 100% with an extra attendance credit towards the disco challenge.

- To celebrate the best attending class in Key Stage 2 and Reception/Key Stage 1 in assembly and provide attendance credits towards disco challenge. These classes also get to use areas of the yard on our 'reward day' (Mondays).
- To hold a weekly raffle for children with 100% attendance with one child per class winning a box of chocolates for themselves and their family;
- To hold an end-of-term attendance raffle with prizes of significant value for those children who have been in school each day and on time;
- To hold a termly attendance disco for the top three classes with the best attendance;
- To celebrate 100% attendance for the term/whole year with certificates and trophies;
- To hold 'Leamington's Attendance League' for inter-class competition. The winning class will get the attendance trophy for a term and a special class reward at the end of each term.

Legislation and Guidance:

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- [Working together to improve school attendance 2022](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

Teaching and Learning Impact:

Leamington Community Primary School will endeavour to reduce the disruption to children's learning through unnecessary absence and will work with families towards avoiding lateness or avoidable time off from school, including children who leave early frequently. All children arriving after 9am, will need to be signed in at the office providing a reason for the lateness. Any case of a child arriving after 9:30am will be classed as an unauthorised absence. This is then tracked for individual children.

Equality and Inclusion:

All children will be dealt with in the same manner. Allowances within this policy will be made for children with severe disabilities or illnesses who require additional time off for administration or medication (medical evidence must be provided).

Safeguarding:

If a child is absent for any reason, parents/carers must contact the school office on 0151-284-7848 (Option 1) before 9.00 am on the first day of absence and every subsequent day of absence thereafter. Parents/carers can also report absences on the School App, email the office at office@leamington.liverpool.sch.uk, email the attendance team at attendance@leamington.liverpool.sch.uk or message their child's class teacher on Class Dojo. If no information or a phone call is received on your child's first day of absence, school will make contact to ensure the child is safe and their absence is genuine. If necessary, home visits will be carried out. If there is still no contact, this may lead to a referral being made to our Educational Welfare Officer or Careline. In cases where a child is missing for 20 days or more, the case will be referred to Children Missing from Education at the Local Authority.

Registration of Pupils:

Leamington Community Primary School will ensure that staff are aware of any new legislation with pupil registration.

- Registers are to be completed accurately at the beginning of every session i.e. morning and afternoon and saved on SIMs by 9:10am and 12:50pm (KS2) / 1:35pm (KS1/Rec).
- Parents are to be aware of the importance of contacting school to report absence before 9.00am.
- Senior Managers and Governors to ensure evaluation of attendance procedures - regular reports will be provided for the Governing Body of Leamington Community Primary School.

Contents of the Attendance Register:

Each class teacher will take the attendance register at the start of the first session of each school day and at the start of the afternoon session. On each occasion they will record whether every pupil is present or absent.

The school will follow up any absences to:

- Ascertain the reason;
- Ensure the proper safeguarding action is taken;
- Identify whether the absence is authorised or not;
- Identify the correct code to use (see Appendix 1) before entering it on to the school's electronic register or management information system which is used to download data to the School Census.

Registration and Absence Procedures:

All absences will be recorded on the school registers using the national codes (see Appendix 1). Any pupil who is on role but not present in school must be recorded within one of these categories:

1. *Unauthorised Absence* – This is for pupils where no reason has been given or whose absence is deemed to be without valid reason. This can occur if a child arrives after 9.30am.
2. *Authorised Absence* – This is for those pupils who are away from school for a reason that is deemed to be valid under the Education Act 1996.
3. *Approved Educational Activity* – This covers types of supervised educational activity undertaken offsite but with the approval of the school.

If your child is late arriving at school always report to the school office and make sure your child is signed in using the Inentry System (after 9am). If they arrive after registers have closed (after 9.30am) they will receive a U mark in the register; accompanied with the number of minutes late the child was. A record of late minutes is kept for individual children and the same procedure for absence is followed if lateness is a concern.

Reporting Absences:

It is a parent's responsibility to inform school of any reasons for a child's absence, before 9.00am each day that they are absent from school (unless otherwise arranged with school) and to provide further information as required. We will send a letter requesting information if an explanation is not deemed to be adequate or has not been received. We will refer the matter to the school's Attendance Officer if no response is forthcoming.

If no information or a phone call is received on your child's first day of absence, school will make contact with you to ensure your child is safe and that their absence is genuine. This will be via a phone call, text message or home visit. Further contact will be made on every subsequent day of absence. Please note; this could lead to a home visit it police welfare check.

If a child is absent due to sickness for more than 2 days, we expect parents/carers to seek medical advice on the third day and medical evidence must be provided on the fourth day of absence. Any absence without this evidence will be recorded as unauthorised and may lead to referral to the EWO.

'Leave of Absence' during term time:

The Headteacher may only authorise leave for 'exceptional' circumstances. Headteachers are only allowed to authorise any leave of absence when an application has been made in advance and it is felt to be for an exceptional circumstance; the annual family holiday would not be deemed as an 'exceptional' circumstance.

What should parents do if they wish to request a 'leave of absence'?

Parents should complete a Leave of Absence request form (paper copy or via the school app) and return it to the Headteacher and Chair of Governors. This must include details and reasons why you wish to take leave during term time. We would strongly recommend that this is done before planning/booking flights, hotels etc.

There are 190 school days (380 sessions) a year which your child is expected to attend school. There are 175 days in the year when the students are not expected to be at school. Taking holidays in

term time is perceived to affect children's schooling as much as any other absence and we expect parents to help us by not taking children away in school time.

While it is accepted that some holidays offer huge benefits to the children's growth – emotionally, personally and socially – the school believes that the 175 days of any calendar year provide sufficient capacity for the families to plan and benefit from organised family time or holidays.

Any period of leave taken without the agreement of the school, or additional days to that agreed, will be classed as unauthorised and may lead to a referral to the EWO resulting in a Penalty Notice or prosecution.

What happens if a child goes on holiday in term time or takes 'leave of absence' for other reasons without permission from the school?

The absences will be marked in the school register as unauthorised absences and this may result in a Penalty Notice of £60 (rising to £120 if left unpaid) per parent, per child being issued by the Local Authority. After the Penalty Notice has increased, you will be summoned to court. In some cases, parents may be prosecuted for the offence of failure to ensure regular attendance at school.

Other circumstances will be considered; judgements will be made on individual requests.

Penalty Notices:

- A Penalty Notice can only be issued in cases of unauthorised absence;
- In cases where there is more than one pupil in a family with unauthorised absences, Penalty Notices may be issued for more than one child;
- The presence of an excluded child in a public place at any time during school hours in the first five days of exclusion.

Penalty Notice for 'leave of absence' (holiday) in term time:

- Even where attendance levels are high, Penalty Notices may still be issued;
- More than one Penalty Notice could be issued for repeated absence without permission during term time;
- A combined total of ten sessions (not necessarily grouped as 5 consecutive days) could trigger a Penalty Notice;
- Instead of monitoring and totalling holiday absences taken across each academic year, they will now be monitored across the previous three terms, regardless of academic year.

Penalty Notice for Persistent Absence:

Parents whose child is repeatedly absent will now only receive one warning notice period to bring about improvement in attendance in a single academic year. If attendance deteriorates again then no further formal warning notice will be issued and the Local Authority can automatically consider other statutory actions if unauthorised absence re-occurs. Please note, school classes regular attendance as being 97% and persistent absenteeism is classed as 90% and below.

Penalty Notice for misreporting 'Sick Leave':

Where strong evidence exists that the reporting of 'sick leave' is not genuine (including suspected holidays), Fixed Penalty Notice procedures will be imposed.

Evidence could include:

- Social Media;
- Non-contact with school and school are unable to contact parents/carers;
- Children returning to school with a 'suntan';
- Children reporting a holiday, either before or on returning to school;
- Children reporting non-illness.

Medical Appointments:

Parents of children attending a medical appointment during the school day need to produce an appointment card/letter or similar paperwork prior to the appointment. Where possible all medical/dental appointments should be made outside of the school day. We can then confirm lateness as a 'medical' absence and therefore authorised.

School Action on Repeated Absence:

Where a child has an attendance of 94% or less, or was a Persistent Absentee the previous year, school will require medical evidence for all absences.

Where a child is persistently late or absent, even if the Headteacher has been informed, the following steps could be taken:

- A letter will be sent home informing parents of the number of late arrivals;
- If lateness persists, then the parents will be contacted by the Attendance Officer;
- Please note that any lateness or unexplained absence will be monitored by the Attendance Officer as a matter of course;
- A Fixed Penalty Notice for 10 lates (after 9:30am) in a 10-week rolling period;
- Schools and Attendance Officers must now adhere to the 'Code of Conduct under the Provision of the Education (Penalty Notices) Regulation 2007 and Subsection (1) Section 23 Anti-Social Behaviour Act 2003'.

Roles and Responsibilities:

The Governing Body:

The Governing Body is responsible for monitoring attendance figures for the whole school on, at least, a termly basis. It also holds the Headteacher to account for the implementation of this policy.

The Headteacher:

The Headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to the Governing Body. The Headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

The Attendance Officer:

The Attendance Officer's role includes:

- Monitoring attendance data at the school and individual pupil level;
- Reporting concerns regarding attendance to the Headteacher and DSL;
- Working with Education Welfare Officers to tackle persistent absence;
- Arranging calls and meetings with parents to discuss attendance issues;
- Advising the Headteacher when to issue fixed-penalty notices.

Summary:

The school has a legal duty to publish its absence figures to parents/carers and to promote attendance. Equally, parents have a duty to make sure that their children attend. Parents may contact the Attendance Officer at any point to gain information regarding their child's attendance. The school website is also a useful source of information regarding attendance at Leamington CP School.
