

## Year 1 Homework Menu

Take your pick! These are the homework options for this half term. Children should try and complete at least 2 but they can complete as many as they are able to during the half term. Children can bring their completed pieces into school as and when they are finished.

For each task that you complete you can earn dojo points.

If you achieve the maximum number of dojo points (25 points) – you will be put into a raffle drawer for a special homework prize.
