

## **Year 3 Homework Menu**

Take your pick! These are the homework options for this half term. Children should try and complete at least 2 but they can complete as many as they are able to during the half term. Children can bring their completed pieces into school as and when they are finished.

For each task that you complete you can earn house points.

If you achieve the maximum number of house points (25 points) – you will be put into a raffle drawer for a special homework prize.

|                                                                                                                                  |                                                                                                                                                  |                                                                                                            |
|----------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Go on a number hunt around your home. Where do we use numbers around our homes?<br>(2 house points)                              | Research the Angry Earth. What are natural disasters? This could be a poster, PowerPoint, information leaflet....you choose!<br>(5 house points) | Create a spelling poster to remember this week's spellings.<br>(2 house points)                            |
| Watch the news or weather forecast and tell me about one main event about weather.<br>(1 house point)                            | Learn to tie your shoe laces.<br>(1 house point)                                                                                                 | Play a game nicely with a family member.<br>(1 house point)                                                |
| Think about objects that are special to you. What 3 objects are special to you? Why are they special?<br>(2 house points)        | Practice your 3 and 4 x times table. Can you spot a pattern?<br>(1 house points)                                                                 | Write a book review for your favourite story.<br>(2 house points)                                          |
| Speak to an adult about why going to school every day is important? How will this help you as you get older?<br>(2 house points) | Spend 20 minutes doing some heart pumping exercises.<br>(1 house point)                                                                          | Write a letter to your teacher telling them what your hopes and dreams are for year 3.<br>(5 house points) |

**Please make sure that you continue to practice your weekly spellings, you read each night at home and also continue with learning your times tables.**
